# Sysclean

Protect Your System

**Stops 99% of viruses,  
worms, malware, bots**

**#2**

global rank of cybercrime out  
of all reported crime

**\$6T**

expected annual cost of  
cybercrime damages by 2021

**VULNERABILITIES ARE EVERYWHERE:**  
The growth of the interconnectivity makes  
everyone more vulnerable:

**54%**

of US workers believe they can  
trust open WiFi networks

**67%**

of workers already use their  
personal devices in the workplace

## HOW BSI CAN HELP

### GAP ASSESSMENT

Identify risks and choose a  
path to achieve your goals.

### CERTIFICATION

ISO/IEC 27001  
for compliance  
to NIST, HIPPA,  
GDPR and more

Kitemark  
available  
for the lot

Training:  
Get up  
to speed on  
ISO/IEC 27001

### ORGANIZATIONAL RESILIENCE

Create protection for critical infrastructures.  
Demonstrate commitment to cybersecurity.
